## *Wedding Planner/Cannabis Options*

### ***Consumption Methods***

- Check the cannabis laws in your state; specifically your venue.
- Choose an experience at each seat-pre-rolls? flower?
- Edibles? Smoking? Appetizers? Choose ways to offer guests.

### ***Cannabis Decor Design***

- Use cannabis in floral design for bouquets, boutonniere, and centerpieces.
- Hemp paper used for invitations, napkins, confetti, etc.
- Bud Vases on tablesettings and at the Bud Bar.
- Pick the areas that you want to offer consumption.

### ***Budtenders & Bud Bar***

- Meet a variety of budtenders and pick one that best suits your vibe.
- Research strains with the budtender to make informed decisions.
- Choose consumption devices that guests can use at the Bud Bar.
- Get a detailed quote and draft contract- review carefully - no surprises!

### ***Cannabis Gifting***

- My Bud Vases are perfect keepsakes for your bridal party and special friends.
- Relaxing kit for the bridal party-flower and a My Bud Vase.
- Hemp gift wrapping paper and bows.
